HOW TO ASSEMBLE:
To install a limb at the bow rack.
To thread a string through the trigger.
After knotting two ends of string, thread it through the groove of the limb
HOW TO PLAY:
To fill water in the barrel. (Note: Air hole shall be stopped with your finger at this moment).
Place barrel upward, then install it at bow rack. (Note: Turn as the arrow direction).
Grip the bow handle and pull the trigger with other hand. After aiming at the target, release the trigger and shoot it.
