Tefal

The image shows the packaging for a Tefal HB151F30 hand blender. The box is white with a large central image of the blender. The blender has a silver and black body with a stainless steel foot. The packaging features several icons and text blocks describing the product's features. The Tefal logo is prominently displayed at the top. The product name 'HB151F30' is visible at the bottom left. The power rating '700 W' is shown in a red box. The website 'www.tefal.com.tr' is at the bottom right. The packaging also includes a barcode and technical specifications.
